

Garden of Palms is a warm boutique community

Our community is located in the heart of the Fairfax district just north of The Grove. Our elegant accommodations exude the best of Southern California warmth and hospitality. We provide the comfort and independence of an upscale residence with the safety and security of round-the-clock support.

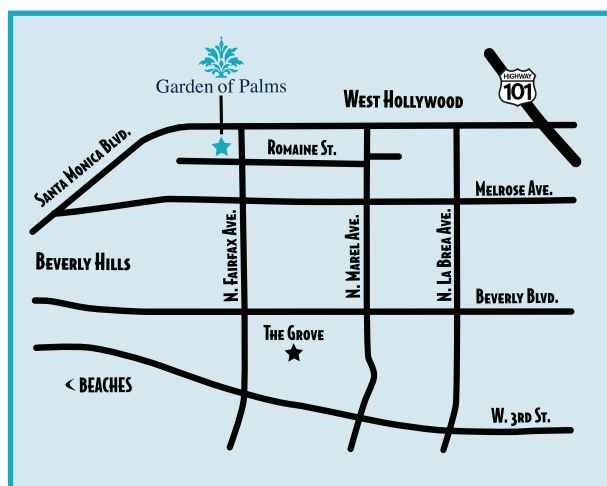

Active seniors can enjoy an unencumbered, independent lifestyle, and if a helping hand is needed, we offer just the right amount of assistance.

Assisted living services can be chosen a la carte or from several different packages of interrelated services. We can also design a care package to meet your specific needs.

Our Memory Care Garden Program provides a secure, safe and cheerful environment with a friendly, neighborhood feel. Garden Program residents enjoy the kind of comfort and gracious living they are accustomed to and also receive the additional care and support that memory challenges require.

Live your traditions at a place you can call home.

Welcome to Garden of Palms, a traditional Jewish community that values our longstanding traditions and cultural lifestyle.

From organized outings and activities, unique curated events, regular visits from local Rabbis, or just kibbitzing with other residents, you or a family member will always live life to the fullest here.

We celebrate together with live concerts, feature lecture series from renown experts. Local Jewish schools also join us to simply take part in conversation, braid challah, sing and dance. From planting trees and flowers on Tu BiShvat to weekly Shabbat, and Yom Tov celebrations, Garden of Palms is a true congregation.
